IELTS

The International English Language Testing System (IELTS) is the world's most popular English language proficiency test for higher education and global migration, with over 4.0 million tests taken in 2023. IELTS lets you select the best Colleges, Universities and academic programs globally. A higher IELTS score increases your chances of obtaining the visa tremendously. IELTS has been developed by some of the world's leading language assessment experts and tests the full range of English skills needed for success in your new job or study placement abroad. The test score is valid for 2 years from the date of the test.
